

**A WIN FOR EYRE PENINSULA PARKS
12 APRIL 2001**

The advancement of Eyre Peninsula parks will be boosted by grants from the Department for Environment and Heritage, Member for Flinders Liz Penfold said.

“Friends of Coffin Bay National Park received \$2,200, Friends of Southern Eyre Peninsula Parks were granted \$1,870, and Friends of Kimba District Parks won \$1000 in the latest round of grants.

“This funding supports the valuable work being done by the friends of the parks in providing amenities and in maintenance,” she said.

Mrs Penfold praised the valuable work done by the volunteers in improving facilities and in removing feral plants and animals.

She encouraged anyone with a taste for the outdoors to join the friends of the parks to enjoy fellowship and fun while serving the community.
