\$148,000 FOR TUMBY BAY MARINA
9 October 2002

Member for Flinders Liz Penfold welcomed the grant to improve Tumby Bay marina facilities since it is returning funding to the region.

“I acknowledge the work that Eyre Regional Development Board has done on this project. It is a positive example of the value of the ERDB,” she said

Mrs Penfold said the improvements will add to the attractiveness of local ports for recreational boaters and yachties who take advantage of some of the best and safest sailing waters in Australia in Spencer Gulf.

“I commend Tumby Bay District Council’s persistence in achieving this result,” she said
